WORK EXPERIENCE

PRESIDENT & CHIEF DESIGNER

Bill Hanson Design | Seattle, WA | January 2015 - Present

Developing and deploying strategies to help small and medium size businesses make an emotional connection with their clients, to grow and strengthen their brands. This has given me great experience across many mediums of communication and a global understanding of the integration and interplay between them. A passion for design and helping others reach their goals was the driving force behind the creation of this company.

DESIGN & PRODUCTION MANAGER

Destee-Nation Shirt Co. | Seattle, WA | July 2012 – Present

Responsible for driving the development and implementation of all company ecommerce and brick and mortar design deliverables, including the company's ecommerce website, store signage, product design and development, email and marketing engagement for artisan screen printed apparel business, featuring the brand marks of beloved local businesses.

Drive ecommerce website development and management including design and optimization. Develop the marketing strategy and deliverables to engage customers as well as build and deploy online stores for Destee-Nation member businesses. Handle all product design development, production and vendor management.

DIRECTOR OF BUSINESS DEVELOPMENT & WEBCAST PRODUCER

DSE Trading | Seattle, WA | April 2017 – October 2018

Responsible for the co-design of the corporate brand, website and all printed materials. Developed and managed daily content updates for dsetrading.com. Performed technical support, sales and customer service. Produced a daily webinar for an international audience.

ASSOCIATE PRODUCER & GRAPHIC DESIGNER

U.S. Senatorial and Gubernatorial Debates | Washington State | October 2016

Created a smooth and communicative work flow between the Executive Producer and the staff that we managed. Broadcast four debates to over a thousand news outlets at one time. Worked closely with television and radio feeds during the live broadcasts.
